REFORMATION SUNDAY

Color the cross in the middle black. It reminds us of Jesus the Crucified One.

Color the outside leaves with green to show life and God's creation.

Color heart in the middle red and leave the petals of the flower white, which reminds us all the beautiful gifts God blesses us with such as faith, love, joy, and peace.

And colour the background inside the circle sky blue, symbolizing a joyful spirit and faith in a future hope.

And lastly colour the ring of the flower gold for just as god is a most precous metal- all that God gives us is valuable and we give thanks for the gifts of salvation, forgiveness, and faith.

"For we hold that one is justified by faith apart from works of the law."
- Romans 3:28

Dear Jesus, we give you thanks this day that you have given us the Bible, that we may know your love and grace. Help us, like Luther, to marvel and give thanks for the gospel and know that you are our Mighty Fortress. In Jesus name, we pray. Amen.

"And he said with a loud voice, 'Fear God and give him glory,'"
Revelation 14:7 (ESV)

Turn to the gospel reading and read the passage and find the words.

God is gracious and merciful, and we celebrate that He comes to us in the forgiveness of sins, in baptism, and in communion. Thank you, Jesus.
